

Napier City

Shop • Dine • Play

Kia ora!

Welcome to the 9th edition of the Napier City Shop, Dine, Play Guide. We really hope you enjoy exploring the treasures of central Napier – the Art Deco Precinct – here in the Art Deco Capital of the World!

The Napier City Business Inc. team is proud to introduce 44 locally owned and operated CBD businesses ranging from fabulous eateries to high street fashion, giftware, activities and art galleries, along with a map for easy navigation around our city.

Napier City Business Inc. was first incorporated in 1998. We represent around 450 members and landlords who reside within our membership boundary. The boundary is Marine Parade from the right-hand side of Browning Street to Vautier Street and goes to Clive Square, up Tennyson, and everything in between. We are an independent organisation, funded by our members (through a targeted levy on commercial buildings) plus a contribution from the Napier City Council.

Our vision statement:

‘An Eternally Attractive Napier CBD: Measured by the number of people who desire to work, live & play in the CBD.’

Our mission statement:

‘Be the Connectors, Celebrators, Educators and Advocators of all things in the Napier CBD.’

We hope you enjoy all that our unique city and our wonderful member businesses have to offer.

Pip Thompson

General Manager
Napier City Business Inc.

Must-dos in Napier

Napier City is a vibrant seaside destination, featuring captivating historical beauty with its unique Art Deco architecture. Whether you're here for a day or a month, our beautiful ocean-bordered city is full to its Art Deco brim of things to do and see. Here are some suggestions to get you started.

Get acquainted with Art Deco

An Art Deco guided walk around the CBD will introduce you to Napier's fine examples of 1930s Art Deco and Spanish Mission architecture. The city's architecture is a testament to its rebuilding in the 1930s after a devastating earthquake. Wander through the streets, marvel at the pastel-colored buildings, and learn about the fascinating history of the reconstruction.

Get an art and culture fix

Napier's Arts Quarter bordering Hastings and Tennyson Streets has a number of independent galleries all within a short walking distance of each other. Let the map guide you around the city, checking out the sculptures and artwork.

Dine your way around the CBD

They don't call Hawke's Bay 'wine country' for nothing and Napier has some of the best cafes, restaurants and bars in NZ. Try Mister D's legendary custard injectable donuts, a coffee at the lovely Tennyson Cafe or a glass of Hawke's Bay Chardonnay at Matisse Wine Shop & Bar.

Take a walk above the sea

The viewing platform on Marine Parade brings ocean to land, and is the perfect spot to contemplate or simply admire the view. You never know your luck, you may even see pods of whales and dolphins.

Shop til you drop

Explore the large number of independent, specialist stores dotted around the CBD. Or if you're in town on a Saturday, the Farmer's Market in Clive Square is where our boutique food producers and artisans sell their wares.

Climb to the top of Tiffen Park

If you're feeling fit, climb the steps to the top of Tiffen Park in Tennyson Street and you will be richly rewarded with stunning views over the city.

Stroll along Marine Parade

The walkways along Marine Parade take you past several iconic Napier landmarks including the Tom Parker Fountain, the Soundshell, the Pania of the Reef sculpture, the Sunken Gardens and our beautiful golden lady, the Spirit of Napier.

Let off some steam at the bike tracks

To burn off excess energy, there are skate parks, scooter and pump tracks and junior bike parks for the kids along Marine Parade. There are also great playgrounds that the smaller people can enjoy while you relax with a coffee.
